

# Open access options

This journal offers authors two choices to publish their research:

## Gold Open Access

Articles are freely available to both subscribers and the wider public with permitted reuse.

An [open access publication fee](#) is payable by authors or their research funder.

## Subscription

Articles are made available to subscribers as well as developing countries and patient groups through our [access programs](#).

No open access publication fee.

In accordance with Funding Body requirements, Elsevier does offer alternative open access publishing options. Visit <https://www.elsevier.com/openaccess> for full information.

Your publication choice will have no effect on the peer review process or acceptance of your submission.

## User Rights

All articles published gold open access will be immediately and permanently free for everyone to read and download. We offer authors a choice of user licenses, which define the permitted reuse of articles (see <https://www.elsevier.com/openaccesslicenses>). We are continuously working with our author communities to select the best choice of license options, currently being defined for this journal as follows:

- Creative Commons Attribution (CC BY)
- Creative Commons Attribution-NonCommercial-NoDerivs (CC BY-NC-ND)

## Gold Open Access Publication Fee

To provide gold open access, this journal has a publication fee which needs to be met by the authors or their research funders for each article published open access. The gold open access publication fee for this journal is **USD 3500**, excluding taxes.
