- For orders of € 50,000 and over, 50% payment on receipt of purchase order, 50% NET 30 days from invoice date.
- Quoted availability and expected shipment dates may change without notice.
- Orders are shipped DAP Destination with customs DUTIES and TAXES being the responsibility of the buyer.
- Equipment may be returned for refund within 15 business days of receipt at destination. A re-stocking fee equivalent to 10% of the value of the item will be assessed for all returned items not related to any valid warranty claim.
- All returns must be accompanied by a valid return authorization number obtain from Scintica Instrumentation Inc.
- If an item is returned after an invoice has been paid, a credit will be issued to be used toward a future purchase Scintica Instrumentation Inc. will not issue refund checks.

### Contractual Terms:

- All manufacturer warranties apply and no additional warranties are provided by Scintica Instrumentation Inc. with the exception of extended service agreements sold separately. Defects or failure in the performance, design or manufacture of the Products are the sole responsibility of the manufacturer.
- Scintica Instrumentation Inc. shall not be held responsible for special, consequential or punitive damages of any kind arising out of sale, installation, service or use of any hardware or software provided, nor does it warrant that the equipment is suitable for any specific purpose. The company's sole obligation in respect of defective Products shall be limited to replacement or at the Customer's selection, return of the original purchase price of any such Products, all in accordance with the terms of the warranty, which the Customer shall have given the Scintica Instrumentation Inc. notice of, as defective, within a reasonable time period following their delivery.
- Any quote showing sales tax as a zero value assumes valid tax exempt status, proof of which must be submitted with any purchase order.
- Intended for animals and education only.
- Delivery may be made in instalments, and each instalment may be deemed to be a separate sale for which Scintica Instrumentation Inc. may invoice and Buyer shall pay separately.
- Any claims for damaged, missing or defective Product must be reported in writing by Buyer within 30 days from the date of receipt of Product.
- Scintica Instrumentation Inc. shall not be liable for any delay or failure of performance resulting from any cause beyond such party's control, including, but not limited to, flood, severe weather, pandemic, earthquake, power loss, governmental regulation, labor strike, material shortages, transportation etc. (Force Majeure). In the event of such delay Scintica Instrumentation Inc. shall have additional time to perform its obligations hereunder.
- The Product is only to be used in preclinical research, such as *in vivo* animal imaging, and is not for use on humans.

**THANK YOU FOR YOUR BUSINESS!**
