

Life Technologies Reserve Acknowledgement Agreement

Life Technologies Corporation has developed this Reserve Acknowledgment Agreement to ensure our customers understand the requirements in advance of establishing reserved inventory services with Life Technologies.

Please review this Agreement which relates to the request you (as our Customer) made to reserve Life Technologies finished goods inventory and sign below if you agree to the accepted terms and conditions started herein. Please contact Life Technologies at the phone number or email listed below to request any modifications to this Agreement. These modifications will be reviewed and a revised document will be sent to you for approval and signature. This Agreement will become effective as of the date signed by an authorized Customer representative and returned to Life Technologies.

As reviewed during the reserve set-up, the shipping schedule, associated fees and liabilities are summarized below. Please refer to the below reference number when placing orders from this reserve. If you have questions or require additional information, please do not hesitate to contact the Life Technologies Customer Care Reserve Team.
