Addgene Ordering Policy

- **All orders must be placed online at www.addgene.org. Emailed or faxed purchase orders will not be processed.**
 - You will be able to enter a Purchase Order Number during the checkout process as a form of payment information. **Only one purchase order number can be assigned to an order.**
 - Addgene accepts the following credit cards for payment: VISA, MasterCard, & American Express.
- If a promotion code appears on this quote, please note that a valid code must be entered during checkout in order to receive the discount.
- All Addgene orders also require approval of a Material Transfer Agreement before shipment. Depending on your institution, we will either email this agreement directly to you or your Technology Transfer Office.
- After MTA approval, most orders ship from our facility after 2 to 3 business days of processing in our lab.
- Do not use a Quotation to remit payment to Addgene. Your official Addgene invoice will be generated after your order ships and includes our standard payment terms of Net 30 days.
- More information about the Addgene ordering process can be found at www.addgene.org/ordering.
