--	---

GENEWIZ is pleased to offer you this custom quotation. As a leading global service partner, we are proud to help advance your research and development through our high-quality results, stringent Quality system, expert Project Management, and flexible service options to save you time and resources.

**I. Service Summary**

**1. Service Description**

- Genomics sequencing services – Sanger sequencing

**2. Materials Provided by Customer**

Starting material varies depending on service selection. Please refer to our [Sample Submission Guidelines](#) for details.

**3. Pricing and Estimated Total**

Service	Price Incl. VAT
Genomics Sequencing Services	12,200.00 €

\* Please note sequencing services are not applicable for tax exemption.

**4. Estimated Turnaround**

- *Sanger sequencing:*

*Standard service:* Data reported within one business day after samples are received by GENEWIZ.

- *Next Generation Sequencing:*

Varies per project. Turnaround time is outlined on every individual quotation.

## 5. Shipping Information & Project Initiation

For all postal services please ship your samples to:

GENEWIZ  
Bahnhofstrasse 86  
04158 Leipzig, Germany

Should you have any questions regarding your order, please contact our customer service:

*By email:* [sanger.europe@azenta.com](mailto:sanger.europe@azenta.com) (Sanger) | [ngs.europe@azenta.com](mailto:ngs.europe@azenta.com) (NGS)

*By phone:* +49-(0)341-520122-41

## 6. Sample Storage

Unless otherwise noted in this proposal, client samples and submitted primer aliquots of the predefined service type are stored for 3 months and can be used for up to 8 reactions per submitted aliquot. After 3 months those samples and primer aliquots will be discarded. Premixed samples are not stored after sequencing completion but will be directly discarded (one shot service). Processed sequencing data will be stored in our online ordering system for 2 years after project completion and will be deleted afterwards. Primers synthesized by GENEWIZ will remain available for 3 months. After 3 months the synthesized primer will be discarded. The project data resulting from performance of the project shall be confidential to and owned by the client.

## II. General Terms and Conditions

This quotation is exclusive of any applicable customs duties. Applicable taxes and freight in this quotation are estimated. Any order issued in response to this quotation is governed solely by the below referenced terms and conditions or, where applicable, a contract signed by GENEWIZ and the customer. No other terms are accepted by GENEWIZ.

\*This quotation may be revoked at any time until GENEWIZ has provided a sales order confirmation.

Terms and conditions can be found here: [GENEWIZ | Terms & Conditions](#) or here [Terms and Conditions | Azenta Life Sciences](#)
