## Notes

**ANIMAL SHIPMENT:**

For Catalog Animal INTERNATIONAL shipment, by default (if sufficient stock available), approximately 10% additional mice will be included in the INTERNATIONAL shipments at no extra cost to guarantee the secure delivery of the required animal quantity. If Customer/Recipient prefers not to receive these extra mice, please notify Biocytogen. If the final destination is China, no extra mice will be provided.

**AUTHORIZED USE:**

Recipient shall use the Materials solely for non-commercial, internal scientific discovery research only in the Field of Use and during the Term.

**RESTRICTED ACTIVITIES:**

Recipient is prohibited from breeding, crossbreeding, or performing any genetic modification on the Materials, if the Materials involve animals; or otherwise generating or breeding animals using the Materials.

**RESTRICTED ACCESS:**

Recipient agrees not to send or transport any Materials to any location other than Recipient's and Recipient's Affiliates' laboratories that are under the direct supervision of Recipient's personnel, without the express written permission from Company (such permission to be in Company's sole discretion). Recipient and Recipient's employees shall not enter into any other third party agreement involving the Materials or to commercialize the Materials or any derivative products containing the Materials.

**ORDER RESCHEDULING OR CANCELLATION:**

If the animal order is cancelled or rescheduled by the Customer before shipping, a fee will be charged at the time of cancellation including

- (1) Regular breeding of the off-the-shelf animal lines, at \$200/mouse for single, \$250/mouse for double, \$350/mouse for triple, and \$400/mouse for quadruple KI humanized mice, and at 50% for B-NDG series of mice and KO mice;
- (2) Customized breeding lines, the breeding, IVF, genotyping and per diem cost.

For all international mice shipment, mice shipment CANNOT be rescheduled or canceled within 2 weeks of scheduled delivery date.
